D

G

Figure 1 consists of two panels, C and G, illustrating the experimental design. Panel C shows the first 10 trials of a sequence. It starts with a 7-trial H block (indicated by a '7' and a 'H' above a bar with '1' and '2' below it), followed by a 2-trial SI block (indicated by a '2' and 'SI' above a bar with '0' and '4' below it). The sequence continues with blocks of 5 trials (0, 5, 5, 4, 5) and 0 trials (0, 0, 0, 0, 0). Panel G shows the last 10 trials of the sequence. It starts with a 0-trial H block (indicated by a '0' and 'H' above a bar with '0' and '3' below it), followed by a 0-trial SI block (indicated by a '0' and 'SI' above a bar with '0' and '2' below it). The sequence continues with blocks of 0 trials (0, 0, 0, 0, 0) and 0 trials (0, 0, 0, 0, 0).

The second system of the musical score for 'The Little Boat' consists of two measures. The first measure contains a half note with a pitch of 5 and a diamond-shaped ornament, followed by a quarter note with a pitch of 5 and a diamond-shaped ornament, and then a half note with a pitch of 5 and a diamond-shaped ornament. The second measure contains a half note with a pitch of 5 and a diamond-shaped ornament, followed by a quarter note with a pitch of 5 and a diamond-shaped ornament, and then a half note with a pitch of 5 and a diamond-shaped ornament. The system ends with a double bar line.
